Guidning Epiroc / Atlas Copco gruva Nacka, 2026-11-10

Bilder Ann Flach

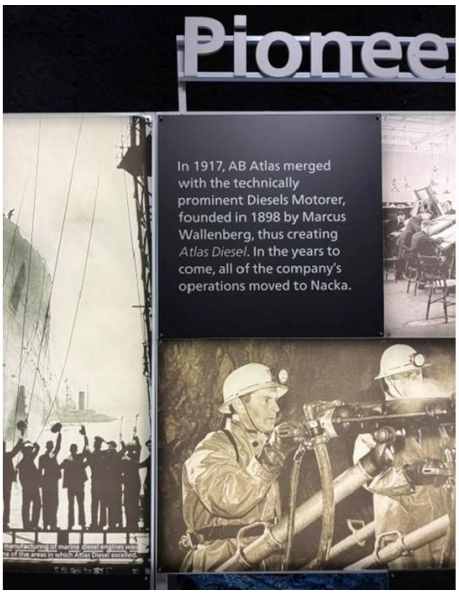

Eftersom webbredaktören inte var med vid besöket så får det bli ett rent bildreferat. Jag har dock hört att det var 18 st deltagare som tyckte att det var en mycket intressant guidning. Dessutom har jag hört att guiden uttryckte att det var en mycket trevlig och intresserad grupp som kom med mycket frågor.
